FAITH & LEADERSHIP

WHAT IS L.C.A.P.?

For 31 years, Camp Brébeuf's leadership program has served as a stepping stone in the development of our young Catholic leaders. L.C.A.P. (Leaders in the Crusader Athletic Program) is an intensive six-day camping experience designed to give students the opportunity to become leaders for the C.Y.O. The Crusader Athletic Program has served our community for over 50 years, with support of our young volunteer leaders.

WHAT YOU LEARN:

L.C.A.P. trains campers in the officiating procedures of our five athletic programs using a unique combination of guest speakers, hands-on clinics and team building activities.

These activities are all designed to prepare L.C.A.P. graduates for the physical and mental challenges of becoming a leader in our community.

THE GOAL OF L.C.A.P.

Our goal is to help L.C.A.P. campers rise above the challenges they are presented with, to grab a hold of their faith and allow it to guide them as they reach beyond what they thought was possible.

L.C.A.P.'S 4 KEY COMPONENTS:

1. Developing leadership skills in teenagers,
2. Cultivating the importance of service to the community and others,
3. Building and maintaining a positive self-image,
4. Creating volunteers to guide and mentor our youth.

L.C.A.P. STAFF

All of Brébeuf's L.C.A.P. staff are extensively trained in First Aid and CPR. They are selected for their leadership abilities, sound judgment and solid social values. A significant number of our staff are graduates of our leadership programs.

L.C.A.P.'S INSTRUCTORS:

Leadership camp is unique in its partnership between C.Y.O. staff, full-time H.W.C.D.S.B. teachers and Hamilton, Halton and Peel Regional Police Officers.

Teachers, Police Officers and their families volunteer their time to lead, play and pray with students.

Camp Brébeuf is nestled in the hills of Rockwood, ON, on 110 acres of forest, field and stream, just minutes east of Guelph and within an hour of the Greater Hamilton Area.

L.C.A.P. is Committed to Celebrating the Accomplishments of each Student
