

Welcome to the C.Y.O. Children's Fundraiser

Who is the Catholic Youth Organization?

The Catholic Youth Organization (C.Y.O.) is a non-profit agency that has been serving the needs of children and youth in our community for 60 years. Today, over 30,000 children, youth, teens and their families access our Outdoor Education, Athletic, Camping, Leadership and Respite Care programs and services each year. Our mission is to break down barriers- whether they are physical, behavioural, or even financial, that restricts access to the programs and services our agency provides - because we believe that every child deserves to play.

What is the C.Y.O. Children's Fundraiser?

In 1972, the C.Y.O. became one of the first organizations in Ontario to integrate children with special needs in our mainstream camping programs. Our 'One-to-One' program offers assisted care for the child while they participate in our overnight and summer day camp programs, along with their able-bodied friends.

In 1986, to provide financial support for our 'One-to-One' program, a dedicated group of local businessmen created the C.Y.O.'s Celebrity Dinner. Today, it is now called the C.Y.O. Children's Fundraiser and the real celebrities and focus of our event are the children and their families who benefit from the proceeds we raise.

Since 1972, over 12,000 children and their families have taken part in 'One-to-One' camping program.

Here's how to... MAKE AN IMPRESSION

On February 22nd, 2018, will be celebrating our 60th Anniversary, while ensuring that we continue to serve the needs of these very special children in our community.

We have number of sponsorship opportunities to meet any gift level. No matter what package you chose, your name and/or company logo will be seen by our estimated 1,000 guests, consisting of local businesses, community organizations, political dignitaries and friends of the agency.

Please help us to continue our 'One-to-One' Program for children with special needs and those families wishing to send their child to next summer camp.

Meet 'One-to-One' Camper Emily, age 6

Emily is 6 years old, with developmental delays. Emily is a very happy and enthusiastic camper. She loved playing with all the girls in her group and was able to quickly become friends with anyone.

Her favourite activity was playing water games with friends. She especially loved the splashing in drip-drip-drop. She also loved to swim and watch kids jump in the pool. She loved listening to music and would be full of giggles when people danced with her. Emily brought such a positive attitude to camp and I loved being her counsellor for two weeks.

Please consider sponsoring a camper so that others such as Emily, can go to camp this summer.
